- 3. Resolution requesting the auditor for a calculation of the millage necessary to raise a specific number of dollars for the renewal of an existing emergency levy pursuant to O.R.C. §5705.194 through §5705.197.

WHEREAS, at an election on November 4, 2014, the electors of the School District approved an additional tax in excess of the ten-mill limitation in order to raise the amount of \$966,688 each calendar year for a period of five (5) years for the purpose of providing for the emergency requirements of the School District, the last collection of which will occur in calendar year 2020; and

WHEREAS, this Board has determined that the continuation of the collection of that tax for an additional period of five (5) years is necessary for the proper operation of the schools of the School District; and

WHEREAS, in accordance with Section 5705.03(B) of the Revised Code, upon receipt of a certified copy of a resolution of this Board declaring the necessity of a tax, stating its purpose, whether it is an additional levy, a renewal or a replacement of an existing tax, or the renewal of replacing of an existing tax with an increase or a decrease, the Section of the Revised Code authorizing the submission of the question of the tax, the term of years of the tax, that the tax is to be levied upon the entire territory of the School District, the date of the election at which the question of the tax shall appear on the ballot, that the ballot measure shall be submitted to the entire territory of the School District, the tax

year in which the tax will first be levied and the calendar year in which it will be first collected and each county in which the School District has territory, and requesting such certification, the County Auditor is to certify the total current tax valuation of the School District and the number of mills required to generate a specified amount of revenue.

NOW THEREFORE BE IT RESOLVED by the Board of Education of the Rootstown Local School District, Portage County, Ohio, a majority of all members of the Board concurring that:

Section 1. This Board finds, determines and declares that the revenue which will be raised by all tax levies which this Board is authorized to impose, when combined with state and federal revenues available to this Board, will be insufficient to provide for the emergency requirements of the District, and that it is therefore necessary to levy a renewal of an existing tax in excess of the ten-mill limitation in order to raise the amount from the renewal of \$966,688 each year for a period of five (5) years for that purpose. This levy renewal shall renew all of an existing levy and shall be levied upon the entire territory of the School District beginning with the tax list and duplicate for tax year 2020, the proceeds of which levy first would be available to the School District in calendar year 2021.

Section 2. Pursuant to O.R.C. §5705.194 through §5705.197, there shall be submitted to the electors of the entire territory of this District (the School District has territory only in the County of Portage), at an election to be held on March 17, 2020, the question of levying a renewal of all of an existing tax in excess of the ten-mill limitation on all property in the entire territory of the School District subject to taxation by this Board, in order to raise \$966,688 each year, for a period of five (5) years (commencing with a levy on the tax list and duplicate for tax year 2020 for first collection in 2021), for the purpose of providing for the emergency requirements of the School District, at the annual tax rate necessary to raise that amount.

Section 3. The Treasurer is directed to certify immediately a copy of this Resolution to the Auditor of Portage County and the County Auditor is requested to certify the School District's total current tax valuation and the County Auditor's calculation of the annual levy, expressed in dollars and cents for each one hundred dollars of valuation, as well as in mills for each one dollar of valuation, throughout the life of the levy which will be required to produce the annual amount set forth above, which calculation shall be made in accordance with the requirements of Section 5705.195 of the Revised Code and any applicable rules, orders, or instructions of the State Tax Commissioner.

Section 4. It is hereby found and determined that all formal actions of this Board concerning and relating to the adoption of this resolution were adopted in an open meeting of this Board, and that all deliberations of this Board and of any of its committees that resulted in those formal actions were in meetings open to the public, in compliance with law.
