Philosophy

The guidance philosophy of the Rootstown schools is based on the belief that each child is unique and has varying needs, abilities and interests.

As a result, there is a strong commitment to the total development of each student. The program focuses on personal, social, educational, and career development with the primary goal of meaningful and productive citizenship.

Real Life Skills 101: For Seniors

A special half-day where seniors learn important life skills in auto care, budgeting, personal safety, and interview skills.
